

Paxton Lakes Sailing Club (R.Y.A. Affiliated)

Membership Renewal 2012

Dear Club Member

We hope you have had a good year and managed to get some sailing in. As we approach the end of the year it is time to renew your membership for 2012.

The 2012 membership rate now includes first berth and/or use of the club boats. You will note that we have had to increase the rates to take account of rising operating costs such as safety boat fuel and electricity. We have made every attempt to keep this to a minimum and believe it still represents excellent value for money.

The good news is that we are offering membership at pre-increase prices if you renew before 15 January 2012. This great offer will not be extended so save yourself some money by getting your membership in before or on that date.

The rates for 2012 are as follows. Payments received:

	<u>Up to 15/1/2012 (the AGM)</u>	<u>after 15/1/2012</u>
Single:	£110	£125
Family	£140	£160
Senior Citizen	£80	£95
Young sailor	£55	£70
Non sailing (country)	£60	£75
Groups	£280	£320
2nd berth or more	£25 per berth	£35 per berth

We look forward to you joining us on the lake next year.

Best regards
